

Wishing all Clansmen & Clanswomen Worldwide the very best for Christmas and New Year in these unprecedented times. What festivities there are will inevitably be very muted this year, but it does finally look as if there is light at the end of the tunnel as we all anxiously await vaccination and hopefully a return to some sort of normality.

Due to the pandemic, regrettably it has not been possible to meet or welcome many of you to Foulis, and no doubt your own Clan and family activities have been severely curtailed during 2020, ours certainly were. We can only hope for better things in 2021, although I believe it may take a year or two before we are able to fully relax.

Sarah, I, all the Foulis family, and the Council of CM(A) in Scotland and abroad send you heartfelt thanks for your cards and greetings. We wish that you may stay safe and well wherever you are until we meet again.

Hector Munro of Foulis

24/12/2020
